
Announcement of the new CTO at STS Sensor Technik Sirmach AG

Dear Employees

We are pleased to announce that Dr. Christoph Hepp will assume the role of Chief Technology Officer (CTO) at STS Sensor Technik Sirmach AG, effective August 1, 2024. He will also join the executive management team.

Dr. Christoph Hepp, born on November 19, 1981, in Riedlingen, Germany, brings extensive experience and knowledge in the field of sensor technology. He has an impressive career at Innovative Sensor Technology IST AG, where he has held various leadership positions since 2008. Most recently, he served as Head of Sensor Development and Deputy Head of Development, responsible for the technical and disciplinary management of five teams and the management of strategic projects.

We are confident that Dr. Christoph Hepp will provide crucial impetus for the technological development and success of our company with his expertise and dedication.

We kindly ask you to warmly welcome Dr. Christoph Hepp to our company and to support him in his new role to the best of your abilities.

Kind regards,

Holger von Both
CEO
